Newton Ferrers and Noss Mayo WI Newsletter

March 24th 2022

Hello everyone,

Wow! Spring seems to have suddenly exploded with all manner of spring bulbs and shrubs suddenly bursting forth in all their floral profusion - such a colourful reminder that our gardens, lanes, woods and paths are brimming with life, even in the coldest days of winter. February's newsletter was full of the battering winds of Storm Eunice yet only a few weeks later there's warmth in the sun and a definite feeling of summer - how soon things can change for the better!

Now on to other items:

Our website - Do try it out - it's easy to find and even easier to use. Go to **thewi.online** (all lower case) and you'll find everything and more about <u>our</u>

WI . Not National, not Devon, just our own <u>local</u> group. The password for our members is **Puslinch**. We still need more photos please - of activities indoors and outside. Any recent photos can be sent either to me or to Cathy to pass on to Peter, our website developer. (Please ask the subject's permission first). It is a dynamic hub accessible from anywhere, for everything we do in our own WI so the more widely we use it as a means of local record and information sharing, the more useful it will be. It's not live at present but gives a good flavour of the future. If you have any suggestions for improvements or comments on the layout or content, please let Cathy or me know so we can pass them on to Peter.

Our A.G.M. Tuesday 3rd May - arrangements for the evening:

Although we had an extraordinary AGM meeting last October with a vote for a new President and appointments made for a new committee, in order to follow NFWI guidelines, we must now ask members if there are any new nominations for the committee or for a new President as it is the start of a new NFWI year. (The member must give their consent and be a paid-up member of our WI.) This is normally an annual vote so the next AGM will not be until May 2023.

Should there not be any nominations, fortunately, current committee members are willing to remain in office so members will be asked to re-elect them "en bloc". New members are always welcomed though. The President, Secretary and Treasurer will each give a <u>brief</u> report. More detailed reports will be emailed to members beforehand and hard copies placed on each table.

Prosecco and nibbles will be provided and hopefully a local entertainer too.

Our Plans for celebrating the Queen's Jubilee - An indoor street party, June 7th from 7pm:

The committee has agreed to arrange a table buffet with similar items to those which would have been enjoyed at street parties at the time of the coronation. Members will be asked to confirm attendance and also to sign up to a few lists of food choices at our next meeting and come on the evening of the celebration with contribution(s) so we are not over catering. Dressing in any form of red, white and blue will be optional.

All our groups will be doing something special for the event - so put it in your diary as the Go-To Jubilee celebration this year!

Those members whose annual subscription (£44) is still pending please contact Julie Thomas (<u>julie.smile.thomas@gmail.com</u>) or via the RYDA phone book, to arrange payment. Thank you.

More details later.

 20th July PENTILLIE. AS YOU LIKE IT. Tickets £18 + £1.50 booking fee. More details later

ii) Book Group - This is from Judith:

In March our book group met to discuss Agatha Christie and her books, especially 'And then there were none ' which is set on Burgh Island.

We concluded that we need to suspend disbelief, remember that the novels are of their time, and enjoy the mystery!

Members may be interested to read her autobiography 'Come tell me how you live '

Our book choice for Thursday May 12th is 'The Invention of Wings ' by Sue Monk Kidd

This is a powerful and extraordinary novel about the friendship between 2 exceptional women during the last years of slavery in the US. It is one of Janet's favourite books and she has offered to lead the discussion.

If any member is interested please contact Judith Stephenson

iii) Craft Group: This is from Angela:

April 12th - Annette Court-Hampton will be showing us how to do "cathedral window" patchworks. Bring your sewing kit.

April 26th - Craft and natter - (Angela is away)

iv) Choir:

Continues to meet every Wednesday from 2.15 pm in the main hall. If you would like to join - please see Joyce or come along to hear what we sing. We are currently practising a variety of songs for the Jubillee celebration in June - we will be having a break over Easter.

v) Drama Group: From Caroline. It's work in progress towards the Jubilee event.

At this time of crisis in Ukraine, we understand that several residents in our villages have kindly offered to accommodate Ukrainian refugees. The committee agreed that our WI should offer whatever help it could and with that Cathy has already contacted our local refugee coordinator, Peter Hinchcliffe, with our offer of help.

Marcia has offered to provide a noticeboard for our monthly meetings so that NFWI and DFWI events, competitions and visits can be displayed, reducing the time spent on the 'business' side of the evening to thirty minutes. All information from groups in future will be conveyed in the Newsletter and disseminated to group members by their respective leaders. Please arrive at the monthly meeting at 7.00 pm for 7.15 pm to allow 15 minutes to look at the noticeboard before the meeting gets started.

That's all the news covered for now so I will get out and enjoy the sunshine. I hope you are able to too!

Bye for now

Pat
